Today, Choice One Communications, Inc. of Maine, CTC Communications Corp., Lightship Telecom, LLC, and segTEL, Inc. (Petitioners) filed a Petition for Expedited Relief which requests that the Commission clarify that Verizon must continue to provide access to unbundled network elements under existing terms and conditions until modifications to individual interconnection agreements are approved by the Commission. The Petitioners request that the Commission take action before June 15<sup>th</sup> – one week from today.

Before the Commission expends any resources considering the merits of the Petition, Verizon must state on the public record what position it intends to take on June 15<sup>th</sup>.
